## Cowboys For Christ Gettysburg Gathering

By Chaplain Joel Nupp

What a glorious 3 days of fellowship and trail riding at the battlefield by horseback at Gettysburg. Hosted by Chaplains Joel and Sheryl Nupp. Of C.H.A.P.S. Chapter Cowboys for Christ out of Chambersburg PA.

Friday started off with pizza and a message from Chaplains Joel Nupp and Chaplain Dale Brenneman. Guitar playing and singing into the night.

Saturday started out with a message from Joel and a hearty breakfast prepared by Bud and Diane. We had a registered guide take us 4 hours through the battlefield. We were all amazed by the involvement of the Chaplain program initially started by Abraham Lincoln for the troops. We were uplifted and encouraged by the importance that these Chaplains were to these soldiers. The Christian Commission took care of men regardless if they were fighting for the north or the south. They took on parental duties and strengthen religious beliefs and wrote letters home since there were many soldiers that couldn't read or write. Imagine being so far away from home in the heat of a Pennsylvania summer with little food and water. Around 50,000 men died and thousands of horses. But in this time also

there were many thousands of conversions to Christianity. North and south. Our guide said numerous times "there were no atheist on the battlefield." We had over 23 riders that took the tour which was 4 hours long.

We came back to a sermon and music from Chaplain Brad Rinehart. Brad gave a great message of hope. Dinner was catered and 30 were fed. After dinner we had a continued message from Brad and Chaplain Steve Sellars. Steve gave a heartfelt message as to the involvement in his ministry of young people in the educational field. We had music and testimony from the different Chaplains. The Lord is sure enough moving in a powerful way. We sang and fellowship well into the evening.

Sunday morning, we had coffee and donuts. A truly personal and blessed Sermon by our exuberant and tireless leader Dr. Dave Harvey.

Chaplain Joel finished out the weekend with a message of hope and encouragement.

The weekend started off on a date we all will never forget; 911. Our country has been under attack from the very beginning and most notably because of our walk with Christ. We were encouraged that even in the death and carnage of the civil war, men sang praises to God, many wounded men; scared, hungry and sick from dirty water and

lack of food. Most had injuries that would debilitate the best, but they sang, and they praised God. They had Church. They had come to a place where they realized they had no control of their next breath; let alone their next day. They had come to a complete acknowledgement of God and His presence. Maybe just maybe, the soldiers that perished didn't really die at all; they are free Indeed.

This wasn't our first rodeo and this won't be our last. And we have a living Savior that gives us hope. I honor the sacrifices of these men of the Civil War and the many of 911. All the ones that went before us. Because of Christ himself who gave His life for us that we can understand the real meaning of sacrifice. Thank you, Lord.

For our many blessings, however how big,  
however so small,  
thank you, Chaplain Joel Nupp

## Ordination of Cowboy Chaplain

### Jesse Bowman

by Dave Harvey

I was so very blessed to be invited to speak at the first Cowboy Church at the Amelia Spring Trail Ride on Sept. 19-20. Nick Hall was riding at Iron Mountain Horse Camp in Ivanhoe Virginia when we were there and he asked me if I would come and preach at their ride. He said that they always have a Blue Grass Gospel band come to play and sing, but they have never had preaching. I was greatly honored to speak at the first Cowboy Church at their ride and we had a very special service with the Ordination of Jesse Bowman, from Heathsville, VA. Jesse is our newest Chaplain, please welcome him and please keep him and his wife Mary in your prayers as they have a cowboy church ministry and a youth ministry. Amelia Springs has a spring and fall ride and Cowboys For Christ has been booked to have the preaching there for their spring and fall rides from now on; praise the LORD.

## Joe

By Bill Smith

I first met Joe when he was teaching a leather class. I worked with saddles and was interested in becoming more knowledgeable in carving. Having this common interest and that he had also been a Boy Scout leader, which I admired, created a friendship. I had always wanted to be a Boy Scout and now I was with a man who had all the knowledge.

As time progressed, I also became friends with his family. His wife was a regular volunteer at a local nursing home which was looking for someone or a group to represent a Protestant church once a month. She asked if I could find someone. I tried, but finally had to ask some of my friends to help and we fulfilled that opportunity. Many years later we were filling it right up to this pandemic.

Now I have given you some background as to how mine and Joe's lives touched. What I did not tell you was that Joe did not know the Lord. He was getting up in age and his health was beginning to fail. He had a problem with alcohol. One day his wife called me to come and help pick him up in the large backyard where he had fallen. I did and we sat in the kitchen and talked over a cup of coffee. I told him I had prayed to God for strength to carry him across the yard and into the kitchen.

We became good friends and I learned a lot in my leather work and how to be a great Boy Scout leader. My business and the fact we lived near each other allowed me free time to visit. It also allowed me time as I needed it to lift Joe as he fell more often and needed help. We began to have times together just to share. We were both patriots and love for our country came up often. At every opportunity I would try to mention a Christian idea, God and Country. On more than one occasion Joe said to me "Now Bill, I love you for all you do for me, but when it comes to this "God Thing" we split the road."

One day his wife called and said it was another of those falls. She told me of his breakfast of orange juice which had a touch of Vodka, explaining many of the falls. Didn't matter to me the reason, I just loved the man so I went to help him. On this day I picked him up from behind his back and my arms locked around his body. He was in front of me facing forward. His mouth was spewing curses and he was really blasting God. I stood holding him in my arms and said, "Joe, God told me I have to love you, care for you, but I don't have to like you. If you curse God one more time, I'm not only going to drop you, I am going to stomp you!" You can't imagine how quiet he became. I continued to keep up with him and knew he was rapidly declining.

Well, before long, Joe was put in a nursing home. I visited him regularly as his health quickly deteriorated. I talked to Joe often about the Lord and asked him to pray with me. He would always say no to praying the sinner's prayer. He would be loud and all the staff knew what was happening and what would be the outcome of my visits. Joe

began to need help to go to the bathroom and to eat and was just becoming more and more dependent on care. I kept pressing him to make things right with God. It just never happened. He refused and it saddened me to know he was headed for Hell.

On Monday, I had to go to New Orleans for a two-day meeting. On my way I stopped by to visit Joe to tell him I would be gone until Wednesday. His condition was so bad I told him I was afraid he would not make it and I wanted to pray with him and get things right with God. He loudly went through the rejection I had heard so many times and members of the staff had heard as well.

Tuesday morning about noon, Joe's son called to tell me his father had died around 2:30 AM. Joe had called for assistance to the bathroom and back to his bed. Before he got in the bed, Joe prayed the sinner's prayer, climbed back in bed and died.

## Testimony

By Casey McGehee

The year was 1998, I was married, and my wife was pregnant with our only child. I'd like to say I was a functional alcoholic but the more I think about it the more I see how far from the truth that was. In fact, about the only thing functional was that I hadn't lost my job that at that time I had for 12 years. My wife and I were living with her mother while we had a house built, with us cramping her lifestyle, the pregnancy and my drinking the tension was over whelming. I never drank for the taste, I drank for the effect, I drank for the escape I found alcohol provided. Not only could I seemingly escape the reality of the day but of the past and feel sorry for myself for all the wrongs I felt had been done to me. My wife and mother-in-law had had enough of my behavior and I was given an ultimatum; clean up my act, quit drinking or get out. The next evening I stepped through the door of my first A.A. meeting, it was by far one of the scariest things I had ever done but the truth is I was more afraid of being divorced and becoming a part time father of my daughter who had been born a month and a half earlier.

After a week of going to meetings nightly I decided these people had something I wanted, while we were all different in so many ways we shared a common problem and in all earnestness we wanted to be better.

There are 12 steps to recovery in A.A., which are suggested to be done in order. The first step is to admit we were powerless over alcohol-that our lives had become unmanageable. The second step is to come to believe that a Power greater than ourselves could restore us to sanity. The third step which I will always be so grateful for; make a decision to turn our will and our lives over to the care of God as we understood him. I continued to work the other steps while going to meetings nightly, I even became a chairperson for nearly two years, running the meetings on Monday nights which

Dear Dave,

Howdy! Just wanted to thank you for sending the Bibles and the studies to my family. I talked to them yesterday and they were very excited to get them. I really appreciate the Bible you sent me also. It helps me with my studies. I use it and a King James, too. So, again it helps me understand things better. We have some birthdays and things coming up so I'll probably be ordering a few more things for the family. They are ready to get back to normal and go to church again and things. They have us pretty much locked down, too. Don't know when we'll be able to go to our services. It can be very depressing at times, but I stay in the Word and share it with others. Well, it is about time for what passes for chow around here. Thanks again for everything. May God bless and keep ya'll safe.

Your brother in Christ,  
Curly in Texas

### COWBOYS FOR CHRIST STATEMENT OF POSITION

Supreme authority over this organization and all its activities is vested in God's own Son, the Lord Jesus Christ, and exercised by the Holy Spirit. This must be recognized and practiced as laid out for us in God's divinely inspired Word, the Holy Bible.

Cowboys For Christ is not in competition with any denominational group. It seeks, rather, through God's enabling grace, to be a helper to all local churches, denominations and groups to the extent that they are in harmony with the will of the Almighty God. Its function is to proclaim the Word of God. It is designed for outreach and building up of the Body of Christ, God's blood-bought people, and in harmony with the work of the Holy Spirit is an active force in the Lord's program for the present day.

The message of The Christian Ranchman is the saving grace of Jesus Christ. These messages come to us in a variety of expressions, including testimonies and Letters to the Editor, and each is meaningful in its own way. We pray that the Holy Spirit will minister to each of you that bit of reassurance and comfort your need today.

## **RIDIN' ON FAITH AT THE SMOKY MOUNTAIN JUBLIEE**

By Chaplain Jeff Dillinger

It began with a passion, originated with a vision, and today is a dream realized. Since 2011, Ridin' on Faith Ministries is unique in that it uses horses as an amazing tool to share the gospel through various events and performances across the southeast. Ridin' on Faith takes pride in paying tribute to our great nation by honoring our service men and women and first responders. Team members range in age and all own and care for their own equine partners. The bond between each horse and rider is evident as they perform patterns and skits that demonstrate the hope and love of Jesus Christ.

From the arena dirt and bucking chutes of rodeos to churches, children's homes, county and state fairs, parades, and anywhere in between, this ministry reaches out to those who are lost and need hope, encouragement, and love. Horses allow Ridin' on Faith to take the good news into venues and audiences that typically would not host a ministry.

Most recently, the leadership team of Ridin' on Faith recognized a need for unity and met that need by hosting the Smoky Mountain Jubilee. The event was held at the Smoky Mountain Event Center and consisted of performances by the Ridin' on Faith Ministries Team, as well as live music from Walking by Faith, and messages from two local pastors. The event began with prayer in the middle of the arena by the team and ended with the stands emptying as spectators made their way to the cross in a show of unity, strength, encouragement, and a commitment to serve our Savior. Not only has the team received numerous favorable comments and request to repeat the event, most importantly, His kingdom was expanded with decisions to accept Christ.

Each of the Ridin' on Faith horses during a performance are the picture of meekness, or power under control. Our Savior demonstrated that same meekness as He ascended Calvary to take our place on the cross. John 14:6 states, "Jesus said to him, I am the way, the truth, and the life. No one comes to the Father except through me." This is why Ridin' on Faith Ministries diligently seeks its mission of "Sharing the Gospel - One hoofbeat at a time."

If you are interested in contacting Ridin' On Faith about your event, you can find them at [ridinonfaithministries.org](http://ridinonfaithministries.org), like them on Facebook, or call (828) 545-4560.

### **Testimony**

*(Cont. From Pg. 2)*

happened to be birthday night where we celebrated different lengths of sobriety.

I had thought that I had been baptized as a child but when I asked my mother about it she informed me that I had not been. Along with my A.A. meetings I was also going to Christians in Recovery meetings and had started going back to church each Sunday. It wasn't too long and I ended up serving on the Vestry of my church, which was a two-year term. I became close with my priest and asked about being baptized and we made plans for my daughter and I to be baptized at the same time. I remember being so happy and proud to have done this especially with my baby girl.

I had been sober for 3 years going to meetings and church regularly when my wife informed me the night after Christmas that she wanted a divorce. I thought I had done so good, people were even mentioning how they noticed positive changes in my demeanor, my attitude and personality. Nevertheless, I was asked to leave and started the New Year looking for a place I could afford and it seemed that I was completely alone. I had always thought I had big problems while drinking and these problems were what gave me the right to drink to excess, I was about to find out what sadness and problems really were and now tested to endure them soberly. Yes, I continued going to meetings, even more so now and kept going to church and praying more and more for help and guidance, I even enlisted my Priest as my personal therapist to which I still feel indebted to this day. Our divorce took a year to the day to become final because of custody battles and during this time my father died. Everything seemed to be falling down on me. Suicide crossed my mind and if it hadn't been for my early religious foundation as a kid I probably would have done it but I knew if I did I wouldn't ever see my loved ones again, not just here on earth but wouldn't be allowed to see them in Heaven either; I would be damned for eternity. I remember many nights of reading my bible and doing all I could to stay close to Jesus until he would ease my mind and let me drift off to sleep. I also remember so many prayers asking to be relieved of my pain and misery and I didn't care how that relief came. The days went by which turned to years and

## ***I WAS A VERY GOOD GIRL***

By Crystal Bowers

I was a very good girl. I was obedient to my parents mostly, and didn't drink, do drugs or was immoral. In August of 1976 the Lord Jesus asked me to spend time with Him. I told him that my heart was with Him but that my mind would get in the way. So, Jesus asked me, "What do you want to do about that?" I replied, "I'd like to go to the library and read about the religions and see if You are the God like I think You are." Jesus said, "Don't take too long."

I did as He asked, learning that the world religions had a god of light and "truth" but none could prove it. I chose the Bible to be the last book to read. In it the Lord God Almighty revealed to my heart that He indeed was the Lord God Almighty and Jesus Christ was the only Savior of the world and that I had no righteousness of my own.

I understood that I was an outsider; not in His Kingdom. "for all have sinned and fall short of the glory of God" Romans 3:23. That "we are all like an unclean thing, and all our righteousness are like filthy rags" Isaiah 64:6. I was undone! Isaiah 6:5.

Realizing that, I asked Lord Jesus to bring someone to where I was to have me born again. He did within minutes. Jesus saved me from hell, changed me, filled me with His Holy Spirit and gave me Real Significance (2 Corinthians 5:17-19), removed fear of man and gave me His Fear of the Lord. I rejoice to be His daughter and enjoy living with Jesus and His adventurous life forever more!

Thank you for all that you do for Jesus!

How would you like to be involved in a ministry that takes the GOSPEL of JESUS CHRIST to Cowboys and Cowgirls wherever they ride the trails of life? We would certainly like for you to join us in a very unique and rewarding ministry, and we will help you get started through the power and guidance of the HOLY SPIRIT. Please pray about starting a local chapter of Cowboys For Christ, especially if you are not afraid of a bunch of hard work, long hours, and eating the trail dust of service to the LORD. It will take boldness, dedication, and commitment, but the sheer joy of saddling up for JESUS CHRIST is worth the effort, and the rewards are totally out of this world. Contact us about a Chapter Start Up Packet, and let's work together to make a difference in your area to change lives for eternity just as Cowboys For Christ has done for over fifty years.

## ***MY ETERNAL DECISION***

There is one important decision that each and every person must make some time in their life. The decision to accept JESUS CHRIST as your LORD and SAVIOR guarantees eternal life. No one knows when their life will end, so it is very important to make that decision before it is too late.

The Bible very plainly tells us in Romans 3:23, "For all have sinned". Also, in Romans 6:23 we are told, "For the wages of sin is death". This death actually is referring to eternal death. But the last part of Romans 6:23 reads, "But the gift of GOD is eternal life through JESUS CHRIST our LORD. And in John 3:16 "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

Romans 10:9 & 10 explains how, That if you confess with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. 10 For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved. Romans 10:13 for, "Everyone who calls on the name of the Lord will be saved" sure includes you.

This very minute you can make the decision for eternal life and by praying this prayer and truly believing you can accept the LORD JESUS CHRIST as your LORD and SAVIOR. The late great D.L. Moody once said, "GOD has put salvation within the reach of everyone, because all you have to do is believe".

### **Please pray this prayer,**

Dear HEAVENLY FATHER, I come to you a sinner and I am sorry for those sins, please forgive me. I know that your SON, JESUS CHRIST died on the cross and rose from the dead to save me from eternal death and I believe that in my heart. Please, Dear JESUS, come into my heart as SAVIOR and LORD. And FATHER please help me to be your child. In JESUS' NAME, Amen.

If you prayed this prayer, please let us know so we can add you to our prayer list. Also, we will send you a Cowboys For Christ Bible to help you in your new life with JESUS CHRIST as your TRAIL BOSS.

## Peace

By Chaplain Joel Nupp

Colossians 3:15 "Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful"

I was blessed to be asked to preach and fill in for Pastor Keith Elliott of Criders Church. It's only 3 miles down the road, at the base of the mountains. I joined his Bible study group that meets every Thursday morning at the local restaurant; 3 years now. In keeping with tradition when I preach just like in the rodeo world, I seek people to read scripture. In 9 years now I've never been told no. Everyone, I feel has a story; one that needs told. Not only to build character but to honor Christ. We all have a story and a heart. These are all guys of Keith's bible study. There's more.

In this picture are my friends of different backgrounds. Different lives. Different worlds. One in the picture leads the singing at the church. Works at pizza hut. One is a farm boy, retired truck driver. One is a master mechanic. Did mission work in Haiti. One is a body builder (not me) who is an accountant. One is a semi-retired horse dentist; who loves to share the glory of God. Every one of these guys read Scripture. One lead the music. But everyone shared, spoke, preached.

Oh, our group has problems; and also praises. But we give everything to God. We share with a Bible. In the word. We have fellowship.

I remember the riots in Baltimore city not many years ago. I remember. But it was stopped and by 200 clergy. All different colors, all different religions, all different walks of life. They got together and hand in hand marched through the city. The violee stopped.

This world is always going to have differences. Different beliefs. Different ways to worship. Some don't believe or worship at all. But what is the same now as it was then is that there is one God, Who lives in our hearts, in our souls. And how we will come together is in the power of the Holy Spirit that dwells in all of us. What we thought different...was in reality...the same.

I love the men's Bible studies that I go to throughout the week; 5 different groups. I attend many different churches in the area. I preach all over the place. What the world tries to tell us about ourselves is that we are different. No. I can tell you we are exactly the same.

The following verses after 15. Col. 3:16-17 "Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns and songs from the Spirit singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus giving thanks to God the Father

through him".

I thank the pastors that trust their congregation to a beat-up old cowboy. One that has a story to tell; of redemption through the blood of Christ. And in celebration of telling my story I encourage and acknowledge the stories. The stores of my brothers and sisters in Christ.

There's only one way for this world to come together. And it will. Through prayer and action. Thank you, Lord... for our souls...for our spirits from you. Thank you.

To whom it may concern,

I'm writing you in regards to your paper "The Christian Ranchman". A friend passed one to me to read and I truly, thoroughly enjoyed it. As a matter of fact, I'd love to have a subscription to it if you please. I read in it your offer of a Bible Study. This I'd love to have also. I have one last request of y'all. Can you and will you please send me an ERV Cowboys for Christ Holy Bible.

At this time, I'm incarcerated and have no funds or family in order to purchase one, so will you send me one free of charge? I've just turned 60 recently and gave my heart and life to Christ not long ago, and I desire to read, study and learn God's word. I grew up what I call back wood's country. My first seven years was in a house with no electricity or running water. We had pumped water, used an outhouse, burned lanterns, and cooked and heated on a woodstove. I worked on a farm at a young age, and at 16 I quit school and joined the military. My parents had to sign for me. That is where I developed the habit of drinking and drugging, and have bottled these addictions off and on all my life, but praise God He delivered me from both just before my incarceration, and I promised God I'll serve him till my dying day. Most all of my family is passed on, so this incarceration time has been a very lonely, a hard road, but God is my strength and carries me and helps me through each day. I have an awesome testimony that I'd love to give if interested. Thank you for your time & reply, and hopefully, prayerfully, all I've requested from you be sent to me. God Bless You, Yours, & the Ministry.

Sincerely, Your Brother in Christ,  
Bobby D. Haddock Jr.

### ***THANKSGIVING AND CHRISTMAS, THE GIFT OF LOVE AND THIS SINFUL WORLD***

Thank YOU, LORD! Thank YOU, LORD! Thank YOU, LORD especially since November is Thanksgiving. I know, there is certainly more to the month of November than just Thanksgiving Day. But since the Thanksgiving holiday is the most traveled in this nation and it is actually the most “family” holiday, then it sure is what you think of when you get close to the month of November. Also, those facts seem to make it a month-long issue of preparation for the special day, which to my way of thinking, makes November the Thanksgiving month. So, Happy Thanksgiving to each and everyone. I pray that you are greatly blessed and that you have a whole month of blessings and a whole mountain of things in which you are giving thanks and praise to the LORD.

I know that I am so very, very thankful to be so very blessed to have horses to ride, friends to ride with and a whole saddle bag full of uncountable blessings. I can certainly say that “my cup runneth over” when I think of this wonderful ministry that the LORD has blessed me to be a part of; Cowboys For Christ. The joy of serving FATHER GOD, our LORD JESUS CHRIST, with the joyful presences of the HOLY SPIRIT in the cowboy world or wherever the LORD sends. The absolute joy of sharing the GOOD NEWS OF THE GOSEL OF JESUS CHRIST to anyone and everyone as we ride the trails of this life. Not to mention the many wonderful friends, leaders, workers and especially the ever-increasing army of committed and hard riding Chaplains that make up this “cowboy outreach ministry.”

Are you thankful? Are you joyful? Are you blessed? I sure hope you are and I hope that you are greatly blessed and greatly joyful and greatly thankful and that you let the LORD know that HE has supplied you over abundantly. Giving thanks to THE FATHER for HIS bountiful provisions should be a daily routine and we should do it on bended knees. A thankful heart will be a joyful heart and a joyful heart will be a loving heart, and a loving heart will be a giving heart; and THE FATHER desires them all. So, in the month of Thanksgiving, this November, let your thanks be evident to others and especially to your HEAVENLY FATHER.

Now as most of you cowboys and cowgirls know the “Thanksgiving” month of November is followed by December, which is the month of giving. December is the month of “giving” and I don’t mean just the giving of presents to loved ones or the giving of special gifts to our children or grandchildren. Because December is the month that we celebrate the birth of our LORD and SAVIOR, JESUS CHRIST. HE is GOD’S ONE and ONLY SON and HE was given by THE FATHER to pay our sin debt. HE was born in a stables, only to go the cross to die as the perfect GIFT OF LOVE to sinful mankind. I don’t know about many of you folks, but I do know about this ole cowboy and I have a mountain of sins that I had no way of paying the penalty for those sins. You see, folks, FATHER GOD knew that I couldn’t pay that debt, so HE sent HIS ONLY SON to die on the cross to pay for each and every one, and not just for mine, but for the “sin of the world” “John 1:29 The next day John saw Jesus coming toward him and said, “Look, the Lamb of God, who takes away the sin of the world!” and that means yours, too.

Now, cowboys and cowgirls, that is a pretty good GIFT to give free to any and to all who will accept this wonderful GIFT as their SAVIOR and LORD. But that is the kind of HEAVENLY FATHER that we have, for HE is LOVING, GIVING, MERCIFUL and HOLY. HIS SON, our SAVIOR and LORD is also LOVING, GIVING, MERCIFUL and HOLY and we have the HOLY SPIRIT WHO was given to us when we accept JESUS CHRIST to guide us and carry us through the trials and stress of this life. Yes, that is the reason we need the whole month of November as a “thanksgiving” month to give thanks to THE FATHER, THE SON and THE HOLY SPIRIT for the GIFT that we celebrate in the month of December. So, get you knee pads on and give “thanks” during the whole month of November in preparation for the month of December the month of “giving.” Merry Christmas to each and every one and GOD bless you a bunch.

Now, you may be asking why I have “this sinful world” in the title of this article. Well, I have added it because we are living in “this sinful world” or at least the ones that are reading this article are, and you need to know that the only way out of “this sinful world” is to accept JESUS CHRIST as your LORD and SAVIOR. THE FATHER has already given the GIFT of HIS SON. THE SON has already died on the cross and has risen, and is now seated at the right hand of THE FATHER in glory. So, it is now time for you to accept this wonderful GIFT of eternal salvation; HIS ONE AND ONLY SON. During these two months of “thanks” and “giving” you can confess that you are a sinner, believe that THE FATHER gave HIS SON, and accept HIS GIFT, JESUS CHRIST and know in your heart that you now are a child of the HOLY GOD. You will now have the HOLY SPIRIT to help you live your life for HIM. Please go to the DECISION section of this paper and pray the “prayer of salvation” and then give HIM “thanks” for “giving” the GIFT. GOD bless you, your families and your service to HIM.

***HAPPY THANKSGIVING and MERRY CHRISTMAS.***

In CHRIST,

*Dave*

## Ordination Report

By Brenda Tankersley

Howdy from Morris Chapel, Tennessee. We had a great Cowboy Church Service on Oct. 11<sup>th</sup> although it was a dreary day outside, inside the Son was shining. We had a guest Preacher; CFC Cowboy Chaplain Bro. Zach Zook and his family drove down from Missouri to be with us. We also had an Ordination Ceremony performed by our Chaplain Steve Tankersley. Bro. Steve had the honors of officiating at the Ordination of Jason Williams as a Cowboys For Christ Cowboy Chaplain. Please join us as we lift up Bro. Jason in prayer as he begins his new journey with Cowboys For Christ. Our prayer is that God will use him as he rides the trails for Jesus Christ.

The message that was brought to us that Sunday morning by Bro. Zach made a big impact on many. Bro. Zach has a great compassion for our youth, and his message was reminding us as parents, grandparents, and leaders, that anyone can influence our young people. He reminded us that we all need to step up and be more vigilant in teaching our youth about God. Not just inside the Church House, but at home as well. We should be speaking about God continually and encourage our youth to read and study God's word and walk in the truth. We should be teaching them to seek first the kingdom of God, to put God first in their lives. We should be teaching them the things that are most important. A lot of our young people today are involved in so many different activities, and spending less time with God. Our children watch us as they grow up, we need to have a positive influence on them. They are watching everything we do, say, and how we treat others. We need to be the one they look up to and learn from. If we don't teach them about God, then who will? God's Word tell us in Proverbs 22:6 Train up a child in the way he should go, even when he is old, he will not depart from it. Don't let the world lead our young people astray. Teach them the truth.

In closing, I would like to encourage everyone to work on leaving a legacy of walking in the Spirit as we ride the range for Jesus. Until next time, we'll say so long now from Tennessee. Hope to see ya'll on the trails. God bless and Ride safe.

Steve Tankersley and Jason Williams

## Ministry and Wagons

By Chaplain Matt Wagner

Pony Express CFC chapter was blessed with the opportunity to provide the worship service for Gower Days Festival located in Gower MO July 12<sup>th</sup> 2020. This year was Gower's sesquicentennial celebration and what an honor for Cowboys for Christ to take God's word to the people at this long running event. Jessie Skinner and Chaplain trainee Mark Hinkle provided praise and worship which was certainly Spirit filled and Chaplain Matt Wagner presented a message from the Book of James. Special thanks to all that helped make this event possible.

We (Chaplains Matt & Melissa Wagner) hosted our 2<sup>nd</sup> annual anniversary celebration wagon drive at our home Aug 1st and 2<sup>nd</sup> 2020. In 2019 with very little advanced notice to friends and family we decided to have an anniversary celebration and thought what better way to do so than invite some family and friends, grill some beef and have a wagon drive to town for ice cream. It went well, so we decided to do it again for 2020, expand on it and give everyone a little more notice. Saturday afternoon our garage and driveway became filled with wagons that needed some attention to some degree or another, some needed some wiring for lights, some welding, some just a little fixing or alteration to make it better. A new nick name for the garage came about "The Buggy Shop". It was a fellowship filled day and what a sight to see several brothers in Christ helping each other out with their wagons. We didn't get anything done really fast but sure had fun. If you work on a Nascar pit crew you don't have anything to worry about. Saturday evening began with a potluck meal followed by the six-mile drive to town for ice cream. Upon arriving in town, we took up most of the parking lot at the automotive parts store which was next to where we got the ice cream. It was amazing to see the number of folks that were drawn to the teams and wagons while we were either waiting for, or eating our ice cream. What was even more amazing was to see how Jesus was shared by ALL of the teamsters and their passengers to those that were drawn to the wagons. Once again how great is our God to Bless us with some very special animals that we get to care for and use for work and pleasure but more importantly to help build God's Kingdom. Some that were able to stay overnight camped in the pasture and on Sunday morning hooked the teams back up for the six-mile drive to Dekalb Christian Church where we had an outdoor worship service followed by a picnic lunch. Unless Christ returns before, we will be doing it again to celebrate our 30<sup>th</sup> anniversary in 2021. If you would like to come and be a part of the weekend just give us a shout for more details.

## Letter and Poem

By Larry Harris

Dear Christian Ranchman,  
(Psalm 139:13-14)

I don't favor abortion, God sure doesn't, and I am sure that you don't either. But a big part of this lost world does. What if just a few words could save some of those innocent babies from dying, would you publish it? I wrote a poem that might just touch some soon to be mom, who is struggling with a big decision on whether to abort her child or not, and I pray you will share it in your newspaper, The Christian Ranchman. And if some girl doesn't see this poem, her parent just might and leave it somewhere for her to find. Even if this poem saves just one life or plants a seed that God will water and it will grow, then it was worth it. Thank you very much for all you do and for allowing me to share these words that God placed on my heart.

Sincerely,

Larry Anthony Harris

### "Please Give Me A Chance"

Dear mom please tell me, because I really need to know. Did you tell someone today, that you wanted to let me go? How could you say that, after all that we've been through? I am alive in your tummy, and really a part of you. I urge you dear mom, to go get a sonogram, and look at that screen and see who I am. Don't listen to others, but listen to your heart, all they want is money, and to tear us apart. Don't give Planned Parenthood the chance to defeat me, but instead mom please, make the decision to meet me. Then when I am born, you can take me to the park, and we can play all day, until it gets dark. I want the same chance you got, to grow up and be a kid. I want you to be proud of me, and not regret what you did. I might become a doctor, a lawyer, or a preacher, a nurse, police officer, fireman or a teacher. If you will give me this chance, to show what I'm worth, you will be happy you did, when you meet me at birth. I will look into your eyes, and you will look back into mine. And you will see that our love is a one-of-a-kind. A mother and her child, what a beautiful story. The innocent life she saved, while God gets the glory.

By Larry A. Harris

In memory of all the innocent babies who never got a chance at life. (Psalm 139:1

***Fall CFC Weekend at Iron Mountain Horse Camp***

The rain could not put a damper on the fall get together at Iron Mountain Horse Camp (IMHC) in Ivanhoe Virginia held October 9 – 10, 2020. Things started off with a potluck dinner on Friday evening as attendees met old and new friends and enjoyed a time of fellowship around a campfire. Saturday Brother Dave Harvey started the morning off with devotions. Then the group hit the trails when the rain stopped to enjoy our Lords glorious creation. We met for dinner followed by wonderful Bluegrass/Gospel music provided by a local group of very talented musicians.

Sunday morning Brother Dave preached the word with a time of prayer and sharing. Revival and prayer for our country was emphasized. It is clear that we serve an awesome and powerful God who can heal our land if we turn to Him and obey. We were blessed to have some local folks provide music through sharing of some wonderful hymns. I want to thank campground owners and hosts Elizabeth, Margaret, and Carlton for their kindness and for providing such beautiful facilities. Carlton must have been a boy scout as he could build a good fire. Elizabeth made us all feel welcome and we cannot wait to return.

Please save the date for our rides and fellowship at IMHC next year.

***A Living Memorial***

Death, as Christians understand it, is a change in the form of life; it is not a cessation of life. Those who have been given eternal life in Christ Jesus will spend a few fleeting moments here on this earth. The rest of eternity is spent in the presence of God.

Service in the name of Christ can also live on, even though the servant has gone to his heavenly reward.

A living memorial in the name of a loved one, in the form of contributions, bequests or gifts to the work of Cowboys For Christ, will be acknowledged with a reproduction of the Keith Avery drawing, "A Time For Looking Back". Keith's poem accompanying the drawing, "Checkin' the Back Trail", will also be included with the reproduction of the drawing, in a framable presentation which acknowledges the receipt of the gift.

## 4<sup>th</sup> ANNUAL CFC NORTHEAST COWBOY GATHERING AT ELKINS CREEK HORSE CAMP, PEDRO OH

The 4th Annual CFC Northeast Gathering at Elkins Creek Horse Camp in Pedro, Ohio was a huge success. A big cowboy "shout out" to campground owners Jill and Rick McCleese. In spite of COVID restrictions we were able to enjoy the facilities, great trail riding and fellowship with folks from 8 states! Every morning began with devotions around the campfire taught by CFC President Dr. Dave Harvey. His teaching, based on King David's life, emphasized that God is MY God. After breakfast, the daily Bible study was taught by Chaplain Dale Brenneman of West Keystone Chapter of CFC, centering on Zechariah 1:3 - This is what the Lord Almighty says; "return to Me and I will return to you." The 3-day study discussed Repentance, Renewal/Restoration, and Revival, a very timely message for these times.

The Cowboys For Christ Bible Fund was the beneficiary of our Silent Auction. Many thanks to all who donated auction items and to everyone who purchased an item. Every item donated was carefully prepared and appreciated. Two great examples are: Amanda Sparks who made and donated 2 sets of cowboy/ cowgirl silhouettes kneeling at the cross. and Chaplain Daryl Spaulding who hand-made 2 large wooden crosses. Over \$2000 was raised to support this very important outreach! Cowboys For Christ provides free bibles to anyone who needs one, including prisoners and their families, the military, police officers, cowboys and cowgirls, and various camp staff and campers. In less than a year CFC has distributed over 11,000 Bibles!

A special guest at this year's Gathering was Pastor Les Smith. Pastor Smith is a professionally trained dramatist who has memorized over 12 books of the Bible which he recites in costume. Dressed as the Apostle Paul, he recited the book of Second Thessalonians and then returned the following day as the Apostle James to recite the book of James. We were very blessed by his ministry and fellowship.

No gathering would be complete without good music and we all enjoyed a bluegrass/gospel concert performed by Poverty String Band; who are faithful supporters of this

gathering since the beginning 4 years ago. One of the CFC Chaplains attending for the first time said he would drive in just for the concert!

Other activities included Movie Night with freshly popped popcorn, Open Mic Night with great shared talents and a sundae bar, trail riding on the well-kept trails in the Wayne National Forest, campfire fellowship catching up with old and new friends, and shared testimonies. If you think we couldn't squeeze anything else into 4 days, we did! Special demonstrations each afternoon included "Training Tips" by Pres. Dave Harvey, "Horseshoeing" by Chaplain Burt Horrocks, and "Life Lessons on Horseback" by Chaplain Dale Brenneman and his horse, Patty. CFC President Dr. Dave Harvey closed out the Gathering with a Holy Spirit filled Cowboy Church on Sunday morning.

Please plan on attending next years' 5th Annual CFC Northeast Cowboy Gathering at Elkins Creek Horse Camp September 30th, October 1, 2 and 3, 2021. Watch for more information in the Christian Ranchman, on the CFC website, or the West Keystone CFC website at [www.westkeystonecfc.com](http://www.westkeystonecfc.com) (follow the link to Elkins Creek Horse Camp at [www.elkinscreekhorsecamp.com](http://www.elkinscreekhorsecamp.com) to make reservations, get camp phone number and get directions).

Be well, be blessed, and Happy Trails.

## *Chaplain Joel Nupp Report*

So....this happened. Last week I had my 6-month health check up on the old ticker...

The doctor said you need to lose about 40 pounds and start exercising. I wrestle horses for a living I told him. You need cardio work he replied.

So last week we passed a yard sale. In between the piles of unwanted baby clothes and pictures of Aunt Martha and the family were 2 bikes. Man, and a woman's bike. "Look at those" I replied to my better half. After rearranging the Honda CRV with all the dental tools, we were loaded and ready to try our new health machinery. My wife immediately rode hers around the black top drive. Doing wheelies and no hands maneuvers. I told her mine was still in the planning stages.

So this morning up at 3am I got into my Bible study. Afterward I took my walk to check on the horses.

I came back and under the vapor light I adjusted the seat of my new steed. All the way up. I thought I'll just go around the parking pad like my wife did when we brought our bikes home. I felt 30 years younger. I'll be 63 this Saturday. I was on my way to youth and vitality. Remembering my wife saying "these are mountain bikes" I got caught up "in it".

Off the parking pad is a dirt road that snakes around the garage up to the barn. Off to the right is a field where we keep Travis, Austin and Franklin. As I slowly ascended down the gravel road, I felt my newly acquired health machine picking up speed. I applied the brakes for the very first time. But at 320 pounds the little exercise tool was having a hard time slowing me down. At this instance I felt like a runaway locomotive. No problem I thought. I'll just hang a left and head up the hill to the barn. Just like a runaway horse I'll just keep making circles. As I went to turn, my little wheel couldn't clear the wingspan of my feet. Straight I went. Right towards the field with Franklin and his gang. Now anybody that knows horses realize they are afraid of bikes. It was too dark to see the steeds but as I came upon them like Shrek all I could hear was thunderous hooves. Sounded like 3 sets. As I slowly came to a stop the sound grew silent way way....off in the distance.

I dismounted and cried out. They came back around the field for the second time. I witnessed a track race. Passing each other in their haste to get away. After numerous whoa and calling their names they recognized my voice and quietly returned.

I pushed my new toy back up to the garage and parked it.

I realized that maybe I should just eat less and ride more. Get off and walk beside my horse.

When my wife awoke, I explained my ordeal. She went down onto one knee in laughter. Can you just imagine the shadow they saw coming at them?...Out of nowhere.

I gleefully acknowledged, "I'm giving my bike to one of the grandkids."

### Testimony

(Cont. from Pg. 4)

my pain did subside some and when I had my time with my daughter my heart was filled with love and all other problems slipped away.

10 years later my Stepfather was involved in a semi wreck. I was his immediate supervisor so the hospital where they had taken him called me to inform me of his condition and that they were flying him to a trauma hospital. My Mom was at my sister's house out of state taking care of the grandkids while their folks were on vacation. As I drove to the trauma hospital I called her to tell her what had happened. She was happy when she answered and as I slowly worked the words from my mouth as to what

had happened her voice went quiet and I could hear her sobbing. I arrived at the hospital and the doctors told me of my Dads condition. He was bleeding out quicker than they could pump new blood in. I called for a priest to preform Last Rites. I'll never forget my Dads reaction to what the Priest was saying even though he laid in induced coma, he didn't want to die and was letting us know it. He trembled while the Priest spoke and tears rolled down his cheeks. My Mom had caught a flight and was due in later that night. Some how the doctors stopped the bleeding, my Mom got to be with my stepfather while he was still alive. When not by his side I was in the Chapel down the hall, it was a very difficult time on the entire family. On the third day after his accident he passed away.

My Mom was never the same after that; she said she had lost all will to live without him. I would go to see her on weekends and we'd go to church. I kept going to A.A. and sharing what was happening in my life, looking for support, I stayed close to God in Prayer even though I didn't understand the whys of what had happened.

Three short years later my Mother passed away from stage four brain cancer. I truly believe she died of a broken heart and the lack of will to live.

Looking back I realize that during my many years of drinking I never really knew what pain was nor did I have the reasons or excuses for the life I lead.

I've come to believe that there is a reason for everything and as an all-knowing Heavenly Father, he knew what I was to be challenged with before it happened and stepped into my life to prepare me for what was to come.

Nearly 23 years after turning my life over to the care of God, I am so very thankful for the strength he gave me during those excruciating times of pain and only because of His Grace am I here today. He comforts me each day of my life and is with me throughout all my troubles. Each evening I am thankful for the day, each morning I pray for nearly an hour while driving to work and I'm mindful to be thankful for all his many mercies and miracles.

More than anything I am so thankful for His love.

Thanks be to God. Amen
